

Seattle GiveCamp 2017 Nonprofit Application

Use this form to have your proposal considered for Seattle GiveCamp 2017. We are looking for nonprofit organizations who need mobile apps that they can use to enhance their mission. The mobile app can be internal-facing (the user would be one of your volunteers, partners, or employees) or external-facing (the user would be the people you help), or in some cases, both.

The primary factors we will use to judge your application will be (a) Will the app be useful to the mission of the organization, (b) Will the app be interesting and helpful to the target user, and (c) can it be created over a single weekend.
